restaurants

"Starz Diner", a circa 1950's retro style restaurant featuring memorabilia from past rock era's, serves up a continually changing selection of Japanese, California/Italian and Thai/Chinese Cuisine, with a focus on the freshest seafood served up from the restaurant's exhibition kitchen. For all you netheads and gamers, check out eBar - go surfing, have fun in a chat room, challenge your friends to the latest games or just enjoy a drink.

No Hard Rock Hotel is complete without the time honoured Hard Rock Cafe. Arranged over two floors, nestled alongside the pool, with views of the famous sunsets over the Gulf of Thailand.

## "you can check out anytime..."

(The Eagles)

All rooms are decorated in a modern, retro style using pastel colours with an in-room CD player, in-house entertainment system featuring blockbuster movies, satellite TV and non-stop music videos. All rooms feature balconies with over 70% facing the sea.
